This meeting would require a different group of reps than those on the call yesterday. I am checking availability.

I'm writing up my notes from the meeting. Could you share who from your office was asking the questions at the beginning of the call? Thanks

Not a problem. Can we schedule something for Monday or Tuesday? Please forward some times that work best for all. Also, it would be helpful if you could forward some of the questions you have in advance of the call.  
Thanks.
